

Alterative, Tonic and Expectorant
Consumption Cured.

THE JUDGE OF HANOVER COUNTY SPEAKS.

Tim. Howard suffered for three years with lung and throat troubles, and last spring was thought by his neighbors to be dying. I heard of his condition and gave him A. B. C. Tonic. Its effect was magical. In a very short time he was able to leave his bed, and now regards himself a well man. Others in this vicinity have taken the "Tonic" with pronounced benefit.

JOHNSON'S VEGETABLE "NOLANDINE!"

The Great Virginia Vegetable Alternative, Blood Purifier and Renovator of the Human System has been used Successfully in the following Diseases, as Certificates will Attest:

Liver Complaint, Jaundice and Bilious Derangements; In Mercurial Blood Poison, Scrofulous and Eruptive Diseases, Costiveness, Indigestion, Flatulence, Periodical Sick Headache, and Female Complaints.

TESTIMONIALS:

Derangement of the Liver.
RICHMOND, VA., July, 1885.
This is to certify that I have known of the superior qualities of JOHNSON'S VEGETABLE "NOLANDINE" for the past ten years, and during that time, several, have had occasion to use it, on and in my family, and have always found it a sure cure for derangements of the liver and kidneys, indigestion, headache, &c., and a good tonic.
L. C. DAVIS,
804 North Fifth Street.

Kidney Affections.
ROSTOW'S STATION, CHESTERFIELD COUNTY, VA., March 25, 1885.
Mr. J. W. Johnson:
Dear Sir,—Having suffered for years, with a chronic affection of the kidneys, derangement of the liver, and my general system charged with malarial poisons, I found no relief from treatment of medicine until I used Vegetable "Nolandine." I am now free from above complaints, and to "Nolandine" am indebted for this restoration to health. I honestly recommend it to all persons suffering from above diseases.
WILLIAM DICKINSON,
Superintendent of Coal Mines.

Bilious Derangement.
RICHMOND, VA., May, 1885.
I can cheerfully recommend JOHNSON'S VEGETABLE "NOLANDINE" to any one suffering from Liver or Kidney complaints and bilious derangement of the system. Its prompt and permanent action in my case affords me pleasure to recommend it to others similarly affected.
CHARLES P. SELDEN,

Malaria.
OFFICE CHESAPEAKE AND OHIO RAILWAY COMPANY, RICHMOND, VA.
I have known James River for eight years in the malarial district. My son was thoroughly cured with this deadly poison. I was induced to try JOHNSON'S VEGETABLE "NOLANDINE." Before using two bottles my liver was aroused from its long torpor, and am now enjoying the best of health. My wife and children derived the same benefits from "Nolandine."
J. A. WYATT.

Chills and Fever.
FLEET, KING AND QUEEN CO., VA., January 31, 1887.
I was afflicted with chills and fever during the fall of last year. I could not get by with quinine, but they wouldn't stay stopped. They would return the 7th, 14th, 21st, or 28th days. A friend gave me part of a bottle of "Nolandine." I used it according to directions, and haven't had a chill since. Am in good health and weigh as much or more than I ever did.
E. S. WILSON.

Blood Poisoning.
RICHMOND, VA., July 13, 1887.
J. W. Johnson, Proprietor "Nolandine":
Dear Sir,—I have taken your "Nolandine" for habitual constipation of eight years' standing, during which time I've tried many preparations, but I did not receive any relief until I used your preparation, for which I have received immediate and permanent benefits. Was also suffering with malarial and blood poisons, and prostration from bilious complications, and am happy to say, enjoying exceptionally good health.
Yours truly,
J. B. DOWDEN,
Proprietor of Dowden's Dental Fluid.

Delicate Females.
141 EAST BROAD ST., RICHMOND, VA.
J. W. Johnson:
I feel it just to recommend your valuable medicine, "Nolandine," for any trouble connected with liver, or constipation caused by morphia or any drug, or the malarial pain. As a delicate female, I can heartily welcome it, and I can say, I have benefited myself personally and any one who will try it, on application. Respectfully,
MRS. A. E. ANTHONY.

Blood Purifier.
RICHMOND, VA., October 1, 1886.
To whom it may concern:
For twelve months I was a fearful sufferer from chronic eczema, during which time I was in the hands of a most skillful physician, faithfully using his remedies, internal and external, without deriving any benefit whatever. I suffered night and day with the most intolerable itching, continuous headache, loss of sleep, appetite and strength, my kidneys and nervous system were fearfully deranged, and my body was covered with innumerable boils. By taking three (3) bottles of JOHNSON'S VEGETABLE "NOLANDINE" I have been restored to perfect health. I regard "Nolandine" as the best blood purifier, and the most powerful tonic ever compounded, and I am not alone in this belief. Very respectfully yours, &c.,
H. B. GRUBBS.

Consumptive Diarrhea.
I feel it my duty to make the first known for the benefit of those who may be suffering as I have done. The late Dr. Charles Bell Gibson, and other physicians in the city, pronounced my disease consumptive diarrhea, and after three (3) years of treatment, during which time I derived no benefit whatever, they said my complaint was incurable. I was reduced to a mere shadow by loss of appetite, cough, diarrhea, night sweats and sleeplessness. I had no strength to go up and down stairs without assistance.

Liver Complaint.
OFFICE OF J. W. CALDWELL, RICHMOND, VA.
Dear Sir,—For the benefit of persons suffering from Chronic Liver Complaint, I beg leave to call their attention to your vegetable preparation, "Nolandine." I regard it as a "cholagogue," combining also tonic and renovating properties, and in this respect it differs from any medicine I have ever taken.
The effects of your "Nolandine" in my case, has been on the liver and secretions identical with colic; at the same time, entirely free from nauseating and debilitating consequences following the use of that mineral.
I very cheerfully recommend your "Nolandine" for the diseases enumerated on your circulars, and am convinced from personal benefit derived from its use, that it must become a standard family medicine.
I am not alone in the very high estimate I place on "Nolandine," and trust it will be universally known and be, as it should be, the means of taking the place of mineral preparations for that class of diseases in which it has proved so successful and already gained such reputation. Hoping that "Nolandine" will reach all persons suffering from bilious derangement and prostration from chronic diseases, I am very respectfully recommending it to all who may be afflicted with it.
JOHN W. CALDWELL.

Torpid Liver.
A VALUABLE MEDICINE.—Under this head the Petersburg Daily Index has the following:
"We have received from Rev. Mr. Kelley the following testimonial in regard to the virtues of 'Nolandine,' which we cheerfully publish for the benefit of those who may be in need of such a medicine."
NOLANDINE.—Some time ago there was a notice of the above mentioned medicine in the local columns of the Index, which attracted my attention. After a conference with one of the proprietors I procured a bottle of "Nolandine," and received so much benefit from its use that I tried a second one, and am now using the third. Having suffered for many years from a torpid liver this medicine has afforded me more relief, than anything I have ever used. A desire to benefit my fellow-creatures is my sole motive for publishing this statement.
JOHN D. KELLEY.

Dyspepsia.
I have for the last twelve years been afflicted with that terrible disease, dyspepsia; all the remedies, and I have taken many, only gave partial relief.

Heals Ulcers.
Dear Sir,—As a recipient of its healing powers, it affords me pleasure to testify to the efficacy of your remedy "Nolandine." For two years I have been afflicted with painful ulcers, following the slightest abrasion of the skin, discharging me from all labor and exercise. A single bottle of the "Nolandine" not only healed the ulcers, but removed all predisposition to them, and I have no longer any fear of their return. Very truly yours,
THOS. B. BOTT,
Hanover County, Va.

Liver Complaint, Diarrhea and Dyspepsia.
My attention was called to your "Nolandine," by the certificate of Mr. J. L. Ege. I had been suffering for two or

three years with the Chronic Liver Complaint, Diarrhea and Dyspepsia, with total loss of strength, energy and appetite, accompanied by sleeplessness. A single bottle of your "Nolandine" has restored me to health. To "Nolandine" I am indebted for this restoration. I would also state, in this connection, that during the several years of my sickness I tried many remedies, all of which proved to be entirely worthless in my case. Your "Nolandine" should be universally known. I am convinced, when tried, it will become a standard remedy. Any persons desiring further information will have it most cheerfully imparted by calling upon me.
Very truly and gratefully yours,
O. P. HANKINS, Richmond, Va.

Liver Invigorator.
RICHMOND, VA.
Dear Sir,—I very cheerfully testify to the unequalled efficacy, so far as my experience extends, of "Nolandine" as an alternative and liver invigorator. In my own case it has proven a most efficient remedy, and yet been free from the injurious effects so often following the use of other medicines.
F. H. ALFRIEND.

Varicose Veins.
To the "Nolandine" Company:
Permit me to add my testimony to the curative properties of "Nolandine." For many years I have suffered from varicose veins. Twelve months ago I struck my leg against a chair, breaking one of the veins. The wound thus made could not be healed except for a short time; it then broke out afresh. At times I suffered untold misery from local fever and most insupportable burning sensation. After using two (2) bottles of your "Vegetable "Nolandine" the ulcerated places healed, the swelling disappeared, natural sleep was restored, and my nervous system composed. As a varicose, "Nolandine" acted specifically on one of my children. As a blood purifier and general tonic, your "Nolandine" has no equal. Gratefully yours,
D. B. PROSSER,
at 1303 Main Street, Richmond, Va.
